SPEEDING IN THE COMMON USER AREA WON'T GET YOU ANYWHERE FAST.

KNOW THE LIMIT

20 Km/h

The Dublin Port Common User Area (CUA) is a safe working area that requires everyone who drives to follow the rules, especially the 20Km/h speed limit. This includes all port users driving motorcycles, scooters, private vehicles, taxi's, coaches, couriers, HGV's and all types of heavy machinery and port vehicles.

What happens if you speed?

What happens if you speed? – All drivers detected exceeding the 20Km/h speed limit by Harbour Police or Port Security will be stopped and issued a speed enforcement notice.

This could result in a verbal or written warning or the drivers Dublin Port Pass (DPP) being withdrawn for a period of 7 days or longer.

Please be advised No Dublin Port Pass will mean no access to the Dublin Port Common User Area.

Dublin Port is a safe place to work and travel. **Help us keep it that way.**
