## Pilot Services

Masters of vessels planning arrivals and departures at Dublin must update their Agent in order that the Agent can book pilotage services. Vessels/ Agents who do not provide the required updates to a scheduled pilot booking request will receive a pilot surcharge in accordance with Section 7 of the Pilotage Charges. Dublin Pilots operate from the Port Operations Centre, Breakwater Road South, D01 Y9C2.

The order for the services of a Pilot should be made as early as possible to facilitate planning. A minimum of two (2) hours' notice is required for ships arriving, shifting or sailing and requiring a Pilot by the following means:

- a) Contact VTS on VHF Channel 12, Call Sign: VTS Dublin or by telephone at +353 (0)1 8876070.
- b) Contact Shipping Desk (0930hrs -1630hrs) +353 (0)1 8876033 or by e-mail: [shippingdesk@dublinport.ie](mailto:shippingdesk@dublinport.ie)

An Estimated Time of Arrival (ETA) must be submitted to the Klein booking database at least 12 hours before arrival or departure and must verify;

- a) Name of vessel & IMO Number
- b) Date and time of arrival at Dublin Bay Buoy and departure from berth.
- c) Last port of call
- d) Cargo (use IMDG Code)
- e) Draught
- f) Any Defects

Dublin Port operates a fleet of four(4) pilot boats:

- a) DPC Dodder
- b) DPC Tolka
- c) Liffey
- d) Camac

The pilot boats only proceed out to Dublin Bay when required to service arriving and departing vessels and therefore an accurate ETA is required to avoid delay.
